## OVERVIEW

The Cayuse family of companies are 100% Native American Owned Economic Enterprises owned by the Confederated Tribes of the Umatilla Indian Reservation (CTUIR). Our diverse business lines, workforce, and projects provide solutions for government clients throughout the world. We have over 16 years of strategic and real-world operational experience delivering complex staffing solutions for programs with short timelines and cleared individuals. Cayuse's comprehensive program management, business process services, and technology solutions are ideally positioned to help clients advance their mission goals. Our integrated offerings, credentials, and diverse status allow our clients to engage quickly and confidently with Cayuse to deliver high quality services on time and within budget.
